8 UNITED STATES DISTRICT COURT
9 WESTERN DISTRICT OF WASHINGTON
10 AT SEATTLE

11 ARMEN BEEMAN,

12 Plaintiff,

13 v.

14 ALEJANDRO N. MAYORKAS,

15 Defendant.

16 CASE NO. C21-235 MJP

17 ORDER DENYING STIPULATED
18 MOTION

19 This matter comes before the Court on the Parties' Joint Stipulated Motion for Extension
20 of Trial Date and Related Dates. (Dkt. No. 21.) The Court has reviewed the Motion and all
21 supporting materials, and the Court DENIES the Motion without prejudice.

22 The Parties ask the Court to extend the case schedule and set a new trial date. But the
23 Parties fail to demonstrate any good cause to grant the request. Among other things, the Parties
24 fail to explain why they need more time to conduct discovery, what steps have been taken to date
to obtain the discovery sought, what specific additional discovery is sought, the amount of the
time needed to obtain the discovery, and the diligence of the parties in litigating this matter to

1 date. Nor have the parties explained why a new trial date is necessary even if there is additional
2 discovery sought. The Court therefore DENIES the Motion without prejudice. Should the Parties
3 file a renewed motion, they must address the deficiencies noted in this Order and demonstrate
4 good cause not just in name, but in substance.

5 The clerk is ordered to provide copies of this order to all counsel.

6 Dated April 27, 2022.
